

## ST. VINCENT DE PAUL – SWEET DREAMS

The St. Vincent de Paul Sweet Dreams Shelter for women and children has served the Baton Rouge area since 2001. This year the facility has been expanded from 36 beds to 82 beds and is now able to accommodate intact families. The shelter provides warm beds, nourishing meals, a safe haven and the time needed for the adults to get back on their feet so they can take care of themselves and their families. Your donations will help by providing items the homeless women and children need when they arrive at the shelter.
